

OPEN EVENING

technical theatre and
design for performance

you are
invited to

CARNIVAL

AN
INSTALLATION

THURSDAY
24TH
NOVEMBER
2022 - 7PM

LIPA
SIXTH FORM
COLLEGE

Interested in studying
Technical Theatre or
Design for Performance at
LIPA Sixth Form College?
Come and join us for our subject
specific open evening on
Thursday 24th November 7pm

The open evening is a great opportunity for you to come and see first-hand the type of projects and skills our students develop at LIPA Sixth Form College.

The Technical Theatre and Design for Performance courses allow you to learn about and experience a number of the essential 'back stage' roles that contribute to the staging of live performances in the theatre, and which relate directly to roles in the film and television industry. These roles include: Lighting Designer, Set Designer, Costume Maker, Sound Technician, Stage Manager, Lighting Operator, Sound Designer, Wardrobe Manager, Costume Designer, Prop Maker, Lighting Technician ... and many more.

During the evening you will be able to:

- Experience the 'Carnival' installation
- Learn more about the two courses including what skills are developed, entry requirements and future progression routes
- Ask questions to current students
- Visit the theatre space, as well as see the technical equipment and other design facilities available at the college

'Carnival' is a project by our year 12 & 13 LIPA Sixth Form College students studying on the Design for Performance or Technical Theatre courses. Working in small groups, they have created an installation using the theme of carnival. Throughout the project, they used a range of theatrical skills, including set, costume, lighting and sound design, scenic and props construction and painting. Our theatre space has been transformed!

To book your place at the Technical Theatre and Design for Performance Open Evening please send your name and how many people will be attending to the email address below by Mon 21st Nov. Please email ttdfp@lipasixthformcollege.org
