

LIPA PRIMARY SCHOOL

EXTENDING OUR AGE RANGE

Our Primary School started six years ago and has been greatly oversubscribed ever since.

People, who have youngsters at our School, want us to extend our teaching and learning into Years 7 & 8 in our Primary School. This will mean we can also offer more places.

To do this, we need to consult locally, which is what we are now doing.

Our Primary School (assessed in 2017 'Good' by OFSTED) mainly serves the City's Riverside Ward.

DURING OUR SHORT EXISTENCE, WE HAVE ACHIEVED THESE QUALITY MARKS:

- **Liverpool Reading** (*Gold*)
- **Inclusion (Centre of Excellence)**
- **Eco Award** (*Silver*)
- **School of Sanctuary and Carnegie School of Mental Health & Well Being Award** (*Silver*)

We are nearly ready to complete **Artsmark** and **Liverpool Counts** also.

We will continue to offer a broad and balanced curriculum, informed by the Creative and Performing Arts.
